Letters of Love

Congratulations from Flourish St. Louis on your journey into motherhood! Being a mom can be exciting and scary. We want you to know that the St. Louis community supports you and your family. Here is a letter from someone who is rooting for you and wishing you the best.

Dear New Momma-

You did it! You have brought a new life into this world and YOU did an amazing job!

Please always remember that you are an incredible, beautiful woman.

While things may get a little rough at some points, your baby LOVES you with all of their little heart and they chose you to be their mommy!

Love always,

One new mom to another!
